If you have found this information inviting but have regarded it after the start date, do not dismay! For your child can begin classes at any time! You can do one of two things:

1. You can sign your child up for the full 8 weeks and finish the syllabus on Heritage Charter School and in addition take the balance of classes at our East Grand Location on Thursday evening, Saturday morning or Sunday afternoon.
2. You can prorate the classes and just pay for the classes your child will attend. We will have an assistant fencer to guide late starters into the program.
